ABOUT US

The Jennings County Youth Foundation (JCYF) is a 501c3 non-profit organization, founded in 2010, that seeks to raise awareness, offer hope and provide opportunities for the youth of Jennings County.

Our Mission is to promote quality affordable activities for youth in Jennings County.

Our Vision for the future is to partner with a broad network of organizations that meet the identified needs and interests of youth in the community.

Our Purpose is to responsibly collect donations, grants and sponsorships that will raise awareness and funds to support youth serving organization's new and existing activities and programs.

100% of your tax deductible donation to JCYF is used to serve Jennings County youth!

WHY SUPPORT THE YOUTH?

Jennings County continues to rank among the worst for child well-being, 47% of public school children receive free lunches per the most recent Kids Count Survey by the Indiana Youth Institute.

Research shows that children who live in economically struggling families "have gaps in learning, knowledge and socio-emotional development" Engaging the families in our communities requires a shared effort, with youth-service providers, school staff, and community members committed to youth development.

High quality afterschool programs generate positive outcomes for youth. Communities and businesses also benefit when youth have safe and productive ways to spend their time while their parents are at work.
